

MILLENNIALS' COOKING HABITS

Believe It or Not, Millennials Actually Enjoy Cooking!

While they are, in many cases, at the beginning of their cooking adventures, they welcome the idea of cooking for themselves, friends and families with a robust spirit and a diverse approach as they challenge the influences of familial cuisine and create their own multicultural methods of meal preparation.

A majority of Millennials truly enjoy cooking...

As much as practically possible, I have home-cooked meals...

(Top 2 box: % of Millennials strongly agree + agree)
